

Fourth European Nursing Congress

programme

**OLDER
PERSONS:
THE FUTURE
OF CARE**
4-7 OCTOBER 2010
ROTTERDAM
THE NETHERLANDS

Including

14th Research Congress of the
Workgroup European Nurse Researchers

WENR

Flemish Dutch Nursing
Research Congress

TUESDAY, OCTOBER 5 PROGRAMME AT A GLANCE

	Arcadis Zaal & Van der Mandele Zaal & Jurriaanse Foyer	Willem Burger Hal	Willem Burger Zaal	Fortis Bank Zaal	Jurriaanse Zaal	Van Cappellen Zaal	Van Beuningen Zaal		Mees Zaal	Van der Vorm Zaal	Plate Zaal	Van Rijkevorsel Zaal	Ruys Zaal	Hudig Zaal	Visits / elsewhere
Floor	1	0	3	4	1	0	3		4	4	4	4	4	3	
08:00 - 18:00		Reg. desk open												Speakers Service Center	
08:30 - 09:00	coffee & tea														
09:00 - 12:00															Nursing Home Laurens
09:00 - 09:55			PL. SES. 2												
09:55 - 10:20	break														
10:20 - 11:45		B1-B73 PP	C2-S8 SP	C1-S7 SP		C3-439 WS	C4-C6 OP		C7-C10 OP	C11-C14 OP	C15-C17 OP	C17-C20 OP	C21 OP		
11:45 - 12:45	lunch	B1-B73 PP													
14:00 - 17:00															Florence Nightingale Institute or Palliative Care Laurens
12:45 - 14:15			D1-S3 SP	D2-S13 SP	D3-S31 SP	D4-L24 WS	D10-D13 OP		D6-D9 OP	D14-D16 OP	D17-D19 OP	D5-138 WS	D20-D21 OP		
14:15 - 14:45	break														
14:45 - 16:15			E1-S15 SP	E3-S11 SP		E2-S25 SP	E9-E12 OP		E5-E8 OP	E13-E16 OP	E17-E19 OP	E20-E21 OP	E4-L25 WS		
16:15 - 16:30	walking break														
16:30 - 17:30			PL. SES. 3												
17:30															Departure by coach (Schouwburgplein)
18:00 - 19:30															Boat Trip in Rotterdam Harbour

Tuesday, October 5

08:30 - 09:00 Welcome, tea & coffee

09:00 - 12:00 Optional: visit to nursing home Laurens (see page 98 / 99)

09:00 - 09:55 Plenary Session 2 Room: Willem Burger Zaal

Chair: Prof. Theo van Achterberg, RN, PhD
University of Nijmegen St Radboud, Nijmegen, the Netherlands

Keynote addresses:

KN4 The Longevity Revolution

Prof. Rudi Westendorp, PhD
Professor of medicine
Chairman department of Gerontology and Geriatrics,
Leiden University Medical Center, the Netherlands.
Executive Director Leyden Academy on Vitality and Ageing

KN5 Prevention of Falls in Older Persons: an update

Prof. Koen Milisen, RN, PhD
Department of Geriatric Medicine, University Hospitals of Leuven
& Center for Health Services and Nursing Research, Katholieke
Universiteit Leuven, Leuven, Belgium

09:55 - 10:20 Break Room: First Floor

Parallel Session B

10:20 - 12:45 Poster presentations Room: Willem Burger Hal

Care for older persons in Europe in 2025

B1-419 Integrating home care services in Europe
S. Chlabicz, Medical University of Bialystok, Poland

Challenges and innovations in long-term care for older persons

B2-70 Coordinating the Roles of Nursing Home Staff and Families of Elderly Nursing Home Residents
M. Ehrenfeld, Pat Mattews academic school of nursing, Israel

B3-72 Nurses' perceptions of individualised care in long-term care institutions
R.A. Suhonen, University of Turku, Finland

B4-97 Protocol for innovative projects of care and support targeting community dwelling frail elderly
T.P.M. van Durme, Universite Catholique de Louvain, Belgium

B5-120 A pilot experience of client centred care in Brussels city
C. Jeanmart, Institute For Health and Society, UCLouvain Belgium

B6-151 Nijmegen University Network of Nursing Homes: collaboration in care and research
E.W.C. Derksen, Radboud University Nijmegen Medical Centre, the Netherlands

B7-191 Towards a framework for operational access to care for the elderly.
E.C.C. Schipper, Tranzo / UvT, the Netherlands

B8-205 Examining the Health Care Policy for Elderly People from an International Perspective
H.G. Golander, Tel Aviv University, Israel

B9-227 The continuous nursing care - Conceptual basis
J.P.A.T. Tavares, Portugal

- B10-229** **Barriers and Solutions in the Continuous Nursing Care for the Elderly**
J.P.A.T. Tavares, *Portugal*
- B11-254** **Nurse case management in England:
A study of different models for community dwelling older people**
M. Drennan, *Kingston University & St. George's University of London, United Kingdom*
- B12-261** **A Quality Framework for Responsible Care gives new opportunities for managers and professionals**
R.H. van der Veen, *Vilans, the Netherlands*
- B13-325** **Literature review on advance care planning of nursing home residents**
L. Séchaud, *Haute Ecole de Santé, Switzerland*
- B14-337** **Best practice; the professional as a 'guiding actor'**
J.S. Boonstra, *Saxion, the Netherlands*
- B15-380** **Structure of patients' health requirements in homecare in Poland and changes in the health care**
G. Wojcik, *Medical University of Warsaw, Poland*
- B16-382** **Obesity in care of nursing home residents - Pilot study on detection of efforts in nursing homes**
G. Apelt, *Charité-Universitätsmedizin Berlin, Germany*
- B17-464** **Collaborative Intensity - a description of the research process for the partnership model**
L. Rekola, *Helsinki Metropolia University of Applied Science, Finland*
- B18-465** **Partnership between higher education and working life in Geriatric Services**
A. Haggman-Laitila Halsinki, *Metropolia University of Applied, Sciences Finland*
- B19-L1** **Home dialysis for the frail elderly**
A.T. Riemann, *AMC/Dianet dialysecentra, the Netherlands*

Manpower issues and the labor market

- B20-10** **Moral distress and Burn-Out in nurses on acute geriatric wards**
M.D.W. Dewitte, *Ghent University Hospital, Belgium*

Patient safety and health outcomes e.g.

- B21-098** **Patient safety climate in Swiss nursing homes and its relationship to clinical outcomes**
E.Z. Zuniga, *University of Basel, Switzerland*
- B22-123** **The Australian Medical Sheepskin prevents pressure ulcers: a combined multilevel analysis of 3 RCTs**
P. Mistiaen, *NIVEL, the Netherlands institute for health services research, the Netherlands*
- B23-149** **Assessment of postoperative pain in older patients**
F.M. van Dijk, *University Medical Center, the Netherlands*
- B24-198** **Belgian Screening Tools (BeST) database**
L.B. Bulteel, *Ghent University, Belgium*
- B25-217** **Adherence and medication management by the elderly**
A.H. Henriques, *Escola Superior de Enfermagem de Lisboa, Portugal*
- B26-240** **Barriers that influence nurses' information exchange during care transfer of older persons.**
R.M.O. Olsen, *Nord-Trøndelag University College, Norway*
- B27-268** **Comparing acute and long-term elderly care by the use of an Italian theoretical model and the ICNP®**
D. Ausili, *Insubria University Varese, Italy*
- B28-344** **Pain and interventions in German nursing homes**
K. Kopke, *Charité - Universitätsmedizin Berlin, Germany*
- B29-364** **Experiences of nurse specialists in projects aiming to reduce the use of physical restraints**
H.M.J.H. Smeets, *MeanderGroep ZL, the Netherlands*
- B30-371** **Making an inventory of best practices recommendations and putting them at nurses' disposal**
N.A.O. Gobert, *Université Catholique de Louvain, Belgium*

- B31-374** Falls in the hospital: a study of data collection processes and inter-rater reliability in the US
M. Simon, *University of Kansas Medical Center, School of Nursing, United States of America*
- B32-386** Psychosocial interventions to reduce antipsychotic drugs in care home residents: systematic review
S. Köpke, *University of Hamburg, Germany*
- B33-420** Fall prevention in the elderly: current evidence and challenges for further research
K. Balzer, *Universität zu Lübeck, Germany*
- B34-451** Screening for falls in an acute geriatric ward: are instruments performing better than nurses?
K.J.J. Versluys, *UZ Gent, Belgium*
- B35-467** Towards an optimal skill mix for older residents in nursing homes
A. Tuinman, *Hanzehogeschool Groningen, the Netherlands*
- B36-469** Falls in older hospital inpatients and effect of cognitive impairment
J. Härlein, *General Hospital Fürth, Germany*
- B37-L11** Issue and implementation of an practice guideline for skin care with incontinence for acute hospitals and nursing homes
E. Haslinger-Baumann, *Forschungsinstitut des Roten Kreuzes, Austria*

Promotion of health and well-being in older persons

- B38-2** Caring for older people with multiple chronic conditions in their own homes
M.T.L. Lupari, *NHSCT, United Kingdom*
- B39-8** Cultural Diversity, Locus of Control, Spirituality and Quality of Life in Elderly Patients
Y. Marcus, presented by B. Shaindman, *Shoenbrun Academic School of Nursing, Israel*
- B40-13** Natural Environment and Health: Promoting Health in Older Persons
I.P. Prasini, *Hygeia Hospital, Greece*

- B41-15** Osteoporosis Knowledge, Health Beliefs and Preventive Behavior in Older Women Living in a Rural Area
S.A. Aree-Ue, *Ramathibodi Hospital, Thailand*
- B42-018** Fall Risk Assessment in the Outpatient Setting
J. Meador, *Jack C. Montgomery VA Medical Center, United States of America*
- B43-23** The nursing staff's experiences and reactions when older people with dementia fall in nursing homes
S.St. Struksnes, *Norway*
- B44-26** Effects of Quadriceps Exercise on Pain and Strength Conditioning in Women with Knee Osteoarthritis
N.P. Piyakhachornrot, *Ramathibodi Hospital, Thailand*
- B45-54** Healthy and Active Ageing, a preventive program for independent living well elderly
M.B.M. Bussmann, *Hogeschool Rotterdam, the Netherlands*
- B46-60** Older peoples' perceptions of pain, health and psychosocial life
A. Willman, *University of Karlstad, Sweden*
- B47-75** Visiting nurses' foot health evaluation skills - a pilot study
M. Stolt, *University of Turku, Finland*
- B48-089** Evaluation of the effects of screening elderly people in order to detect frailty at an early stage
I.G.P. Duimel-Peters, *Maastricht University, the Netherlands*
- B49-124** The 75-year-olds' perceived health. The district nurse's starting point for health dialogues
H.S. Sherman, *Centre for Family Medicin, Sweden*
- B50-139** A qualitative analysis of experiences of smoking cessation among older males in Taiwan
C.L. Huang, *Chang Jung Christian University, Taiwan*
- B51-146** Action research as a method to improve quality of care for older persons
M.W.C. Snoeren, *Fontys University of Applied Sciences, the Netherlands*

- B52-157** **Planned interviews about sexuality as part of routine care to men with genitourinary cancer**
S.M. Maassen, *Erasmus MC, the Netherlands*
- B53-177** **Care models that integrate advanced nursing services to elderly with depression: a literature review**
J.D. Dreizler, *Zurich University of Applied Sciences, Switzerland*
- B54-235** **Well-being and quality of life of people over 75 years: influence of social support**
M.L.A. Almeida, *Nursing School of Coimbra, Portugal*
- B55-250** **Identifying patients with low health literacy**
K. Sommerhalder presented by S. Hahn, *University of Applied Sciences, Switzerland*
- B56-259** **Diabetes: psychometric evaluation of an instrument to evaluate the effectiveness of education**
V.D. Duprez, *University College Arteveldehogeschool, Belgium*
- B57-269** **Feelings of insecurity and vulnerability: Is the association different between older age groups?**
L. de Donder presented by N. de Witte, *Vrije Universiteit Brussels, Belgium*
- B58-274** **Prevalence studies on elder abuse in Europe: state of the art and guidelines for future research**
L. de Donder presented by N. de Witte, *Vrije Universiteit Brussels, Belgium*
- B59-286** **Accidental falls prevention in the elderly: a post intervention survey in Italian Hospitals**
D. Mecugni, presented by C. Sironi, *University of Modena and Reggio Emilia, Italy*
- B60-295** **Frailty: beyond the figures**
K.G. Luijkx, *Tilburg University, the Netherlands*
- B61-321** **Effects of group and personal interventions on perceived togetherness in older people**
P.T. Tiikkainen, *JAMK University of Applied Sciences, Finland*

- B62-329** **Quality of life model: predictors of quality of life among sick older adults**
L.H. Halvorsrud, *Diakonova University College, Norway*
- B63-340** **Assistance for the chronically ill older persons living at home**
A.M. Moe, *Høgskolen i Nord-Trøndelag, Norway*
- B64-352** **Feasibility of a new intervention programme for vulnerable older people in primary care**
N. Bleijenberg, *UMC Utrecht, the Netherlands*
- B65-370** **Determining care abilities of older people regarding with their realization of daily life activities**
Z. Koc, *Ondokuz Mayıs University, Turkey*
- B66-373** **Quality of life of the elderly people in long-term care in the South-East Poland**
G. Wojcik, *Medical university of Warsaw, Poland*
- B67-384** **Resources for improving everyday movements and promoting autonomy of nursing home residents**
S. Kalinowski, *Germany*
- B68-385** **A chronic grief intervention for alzheimer's family caregivers**
O. Paun, *Rush University, United States of America*
- B69-405** **Older persons in the world of Hiv/Aids: health promotion through community-based collaboration**
M.J. Watson, *North-West University, South Africa*
- B70-428** **What is 'healthy physical activity'?**
H. Anderiesen, *TU Delft, the Netherlands*
- B71-455** **Elderly health needs in primary care unit and nurse's professional practice.**
F. Romijn Tocantins, *Universidade Federal do Estado do Rio de Janeiro, Brazil*
- B72-462** **Wellbeing of elderly people within Russian minority in Finland and Estonia**
A. Ehasalu, *Tallinn Health College, Estonia*
- B73-L23** **Home Care and Support of the Elderly in Switzerland**
T. Schwarze, *Bern University of Applied Science, Switzerland*

Parallel session C

C1-S7 Symposium Room: Fortis Bank Zaal

10:20 - 11:45 DEFEND your older hospital patient!

Chair: M.J. Schuurmans

- 1 Measuring functional decline in hospitalized older medical patients: a systematic review**
B.M. Buurman, *Academic Medical Center, the Netherlands*
- 2 ISAR-HP an instrument predicting functional decline in older hospitalized patients**
J.G. Hoogerduijn, *Hogeschool Utrecht, the Netherlands*
- 3 Comprehensive Geriatric Assessment in older hospitalised patients at risk for functional decline**
B.M. Buurman, *Academic Medical Center, the Netherlands*
- 4 Multimorbidity in acutely hospitalized older patients: prevalence and outcome**
B.M. Buurman, *Academic Medical Center, the Netherlands*

C2-S8 Symposium Room: Willem Burger Zaal

10:20 - 11:45 Determinants of fear of falling from different perspectives

Chair: S.E.A.J. de Rooij

- 1 Safety for older persons; effectiveness of a mobile safety alarm**
A.Ch.L. Scheffer, *Academic Medical Centre, the Netherlands*
- 2 Fall prevention on wheels: fear of falling in older persons visiting a mobile fall prevention unit**
A.Ch.L. Scheffer, *Academic Medical Centre, the Netherlands*
- 3 Fear of Falling: Perspective of a patient with a hip fracture**
H.M. Visschedijk, *VUmc, the Netherlands*

C3-439 Workshop Room: Van Cappellen Zaal

10:20 - 11:45 International networking, a prerequisite for excellent research?

WENR, an example of good experience
M.L.A. Crijns, *the Netherlands Centre for Excellence in Nursing, the Netherlands*

Oral presentations Room: Van Beuningen Zaal

10:20 - 11:45 Family and informal care givers

Chair: M.A. Andersson

- C4-92 Family caregivers of elder people in Spain**
A.Z. Zabalegui, *Hospital Clínico de Barcelona, Spain*
- C5-169 The experience of being next of kin to an older person in the last phase of life**
M.A. Andersson, *Lund University, Sweden*
- C6-458 (In)formal care and care shortages - Findings from the Belgian Ageing Studies BAS**
N. de Witte, *University College Ghent, Belgium*

Oral presentations Room: Mees Zaal

10:20 - 11:45 Patient safety and health outcomes e.g.

Chair: D.B. Beeckman

- C7-196 The effectiveness of a multistage low pressure air mattress in pressure ulcer prevention: an RCT**
L. Demarré, *Ghent University, Belgium*
- C8-252 Pressure ulcers: Knowledge and attitudes of nurses in Belgium**
D.B. Beeckman, *Ghent University, Belgium*
- C9-262 Assessing the adequacy of pressure ulcer prevention in Belgian geriatric hospital wards**
D.B. Beeckman, *Ghent University, Belgium*

C10-300 Pressure ulcers: knowledge and attitudes of nurses in Belgian nursing homes
L. Demarré, Ghent University, Belgium

C17-256 Quality of life in shared housing arrangements - a comparison of various dementia-specific scales
J.G. Gräske, Charité Universitätsmedizin Berlin, Germany

Oral presentations Room: Van der Vorm Zaal

- 10:20 - 11:45 **Promotion of health and well-being in older persons (1)**
Chair: M. Heinen
- C11-134** 'Lively Legs': Increased physical activity and fewer wound days in venous leg ulcer patients
M.M. Heinen, Radboud University Medical Center Nijmegen, the Netherlands
- C12-147** Low risk for undernutrition is a predictor for perceived good health in older patients
U.S. Söderhamn, University of Agder, Norway
- C13-237** Elderly male cancer patients: traumatic stress and need for support in prostate cancer patients
A.Ph. Visser, Rotterdam University, the Netherlands
- C14-324** Alcohol use among older adults and an early intervention model for home care
S.I. Immonen, City of Espoo, Finland

Oral Presentations Room: Plate Zaal

- 10:20 - 11:45 **Promotion of health and well-being in older persons (2)**
Chair: J.G. Gräske
- C15-91** Construct validity and homogeneity of the German version of the QUALIDEM by people with dementia
M. Dichter, University of Witten/Herdecke, Germany
- C16-244** Managing dementia in residential aged care using Snoezelen and other multi-sensory therapies
M.B. Bauer, La Trobe University, Australia

Oral presentations Room: Van Rijckevorsel Zaal

- 10:20 - 11:45 **Promotion of health and well-being in older persons (3)**
Chair: M.J.G. van Vliet
- C17-49** Standardization of a Research-Based Advanced Nursing Practice Home Intervention for Elderly
R.N. Naef, Zurich University of Applied Sciences, Switzerland
- C19-67** Filling up the hours. How do stroke patients on a rehabilitation nursing home spend the day?
H.C.M. Huijben-Schoenmakers, ROC West- Brabant; Avans Hogeschool, Breda, the Netherlands
- C20-390** The impact of hospitalization on physical decline of elderly people living at home
M.J.G. van Vliet, VUmc, the Netherlands

Oral presentations Room: Ruys Zaal

- 10:20 - 11:45 **Manpower issues and the labor market**
- C21-19** The DIRECT-project: interventions to improve job-related outcomes in nursing homes
E.M.B. Spoor, Eindhoven University of Technology, the Netherlands

Lunch Room: First Floor

Meet the experts (see page 101, 102 & 103)

- 12:45 - 18:00 **Optional: Visit to Florence Nightingale Institute (see page 98 / 99)**
or
13:00 - 15:00 **Laurens Cadenza unit of palliative care (see page 98 / 99)**

Parallel Session D

D1-S3 Symposium Room: Willem Burger Zaal

- 12:45 - 14:15 **Care problems in nursing homes from a European point of view**
Chair: J.M.G.A.Schols
- 1 Pressure ulcer guideline development and dissemination in Europe**
E. Meesterberends, *Maastricht University, the Netherlands*
 - 2 Measuring care problems in nursing home residents in the Netherlands, Germany and Austria**
N.C. van Nie, *Maastricht University, the Netherlands*
 - 3 Fall prevention in cognitively impaired older people: state of the art in German nursing homes**
J.H. Härlein, *General Hospital Fürth, Germany*
 - 4 Improving quality of care in care homes by performing a yearly national audit of care problems**
J.M.G.A.Schols, *Maastricht University, the Netherlands*

D2-S13 Symposium Room: Fortis Bank Zaal

- 12:45 - 14:15 **Home care for the elderly in Europe: the EUROMAP-project results**
Chair: W. Boerma, N. Genet
- 1 Governance on home care in Europe**
W.G.W. Boerma, N. Genet, *NIVEL, the Netherlands*
 - 2 Financing home care in Europe**
K. Érsek, *Corvinus University of Budapest, Hungary*
 - 3 Human resources in home care in Europe**
V.G. Homolova, *Alice Salomon University of Applied Sciences, Germany*
 - 4 Recipients of home care and the role of informal care in Europe**
M. Naiditch, *Institut de Recherche et Documentation en Economie de la Sante (IRDES), France*
 - 5 Current trends and challenges and how they are dealt with**
A. Hutchinson, *Sheffield University, United Kingdom*

D3-S31 Symposium Room: Jurriaanse Zaal

- 12:45 - 14:15 **The Dutch National Care for the Elderly Programme**
Chair: K. Jonkers
- 1 Towards an integrated chain of care model for the frail elderly**
C. Spreeuwenberg, *Maastricht University Medical Center, the Netherlands*
 - 2 The ISCOPE-study**
J. Blom, *Leiden University Medical Center, Leiden, the Netherlands*
 - 3 Feasibility of a new intervention programme for vulnerable older people in primary care**
N. Bleijenberg, I. Drubbel, *University Medical Center, Utrecht, the Netherlands*

D4-L24 Workshop Room: Van Cappellen Zaal

- 12:45 - 14:15 **Primary Care and Care for Older Persons**
Chair: P. Boeckxstaens
P. Boeckxstaens, *Ghent University, Belgium*
P. de Graaf, *European Forum for Primary Care, the Netherlands*

D5-138 Workshop Room: Van Rijckevorsel Zaal

- 12:45 - 14:15 **The art of working in the care for the elderly - Work is in the eye of the beholder**
C.G. Nijhuis, *Humanitas, the Netherlands*

Oral presentations Room: Mees Zaal

- 12:45 - 14:15 **New developments in dementia care**
Chair: R.Verkaik
- D6-46 Impact of individualized case conferences on residents' behaviour and quality of life**
D. Hardenacke, *Deutsches Zentrum für Neurodegenerative Erkrankungen, Germany*

D7-242 **Pleasantly living together: Anton de Kom, for Surinamers with dementia**
A.H.M. Verhoeven, *Cordaan, the Netherlands*

D8-39 **Effects of introducing a nursing guideline on depression in psychogeriatric nursing home residents**
R. Verkaik, *NIVEL, the Netherlands*

D9-73 **How to tell patients and caregivers about dementia**
R.L.J.M. Pol, *Alysis Zorggroep Rijnstate Hospital, the Netherlands*

Oral presentations **Room: Van Beuningen Zaal**

12:45 - 14:15 **Use of technology in care for older persons in the future**
Chair: K.A. Axelsson

D10-220 **Videomonitoring as part of care delivery to independently living seniors**
M.D. Spreeuwenberg, *Hogeschool Zuyd, the Netherlands*

D11-292 **Healthy older persons perceptions about care and the use of Assistive Technology Services (ATS)**
C. Harrefors, *Luleå University of Technology Sweden*

D12-303 **E-Health in care of older persons in the future**
K.A. Axelsson, *Luleå University of Technology, Sweden*

D13-345 **Robotics for elderly care; A roadmap study for the European commission**
G.J. Gelderblom, *presented by G. Cremers, Hogeschool Zuyd, the Netherlands*

Oral presentations **Room: Van der Vorm Zaal**

12:45 - 14:15 **Promotion of health and well-being in older persons**
Chair: P. Voutilainen

D14-225 **Life orientation among older people in Finland and Sweden**
L.F. Fagerström, *Buskerud University College/ University of Skövde, Norway*

D14-426 **Healthy ageing in all policies**
P. Voutilainen, *Ministry of Social Affairs and Health, Finland*

D16-436 **Safety visits to senior citizens in Kópavogur 2007**
D.H. Kristinsdóttir, *Slysavarnafélagið Landsbjörg, Iceland*

Oral presentations **Room: Plate Zaal**

12:45 - 14:15 **New approaches to acute care for older persons**
Chair: M. Daem

D17-36 **The implementation of evidence-based nutrition guidelines in an acute geriatric setting**
M.L.R.M. Daem, *Universiteit Gent, Belgium*

D18-347 **Empowerment by the written patient instructions at the emergency policlinic**
M.H. Salminen-Tuomaala, *Seinäjäki University of Applied Sciences, Finland*

D19-378 **Pain, anxiety, and agitation in critically ill older patients on the intensive care unit**
M.M. Jeitziner, *Bern University Hospital, Switzerland / Maastricht University, the Netherlands*

Oral presentations **Room: Ruys Zaal**

12:45 - 14:15 **Family and informal care givers**
Chair: T.B. Boggatz

D20-214 **Socio-demographic factors related Care Dependency among older Egyptians**
T.B. Boggatz, *Germany*

D21-276 **Spouse caregivers face complex position of health deficits at the early stage of caregiving**
T. Välimäki, *University of Eastern Finland, Finland*

14:15 - 14.45 **Break** **Room: First Floor**

Parallel session E

E1-S15 Symposium Room: Willem Burger Zaal

- 14:45 - 16:15 **International approaches to reduce the usage of physical restraints in nursing homes**
Chair: M. Bleijlevens / J.P.H. Hamers
- 1 **Reducing the use of physical restraints in Dutch nursing homes: a pilot study**
M.J.M. Gulpers, *Maastricht University, the Netherlands*
 - 2 **Evaluation of a guidance on the reduction of physical restraints in nursing homes: a cluster-RCT**
G. Meyer, *University Witten/Herdecke, Germany*
 - 3 **Safety problems associated with the use of physical restraints on the elderly**
E. Fariña-López, *University of Las Palmas de Gran Canaria, Spain*
 - 4 **Contextual interventions to reduce variation in physical restraint use**
E. Capezuti, *New York University College of Nursing, United States of America*

E2-S25 Symposium Room: Van Cappellen Zaal

- 14:45 - 16:15 **Preservation of functioning in older people**
Chair: M.J. Schuurmans
- 
- 1 **Prevention decline in older cardiac surgical patients (PREDOS study)**
G.A. Ettema, *University of Applied Science Utrecht, the Netherlands*
 - 2 **Prescription change Intensity and hospitalization**
C.G.M. Sino, *University of Applied Science Utrecht, the Netherlands*
 - 3 **The best care for your older patients, how to make your hospital senior friendly?**
J.G. Hoogerduijn, *University of Applied Science Utrecht, the Netherlands*
 - 4 **Preservation of living independently in older people**
E.M.A. Arts, *University of Applied Science Utrecht, the Netherlands*

E3-S11 Symposium Room: Fortis Bank Zaal

- 14:45 - 16:15 **Care for older persons in a hospital**
Chair: G.A. Brekelmans
- 
- 1 **GENERO, Co-operation in care and welfare**
D. Smilde / M. Zeegers, *Erasmus MC, the Netherlands*
 - 2 **The prevention and reactivation care programme: the prevention of functional decline after hospital stay**
P.L. de Vreede / T.J.E.M. Bakker, *Erasmus MC, the Netherlands*
 - 3 **The multiple effects of vitamin D in old age**
C. Oudshoorn / T.J.M. van der Cammen, *Erasmus MC, the Netherlands*
 - 4 **Adverse drug events as cause for hospitalisation**
P.M.L.A. van den Bemt, *Erasmus MC, the Netherlands*
 - 5 **Nursing care in the last days of life as reported by hospital nurses**
