

4th European Nursing Congress 2010

MONDAY 4 OCTOBER 2010**SESSION A: 13:00 - 14:30**

NR	TITLE ABSTRACT	AUTHOR	INSTITUTE	COUNTRY	TYPE	ROOM
TOPIC: Ethics and older persons						
S6	Creative imagination, ethics and the care for older people				Symposium	Zeelenberg Zaal
	Creating a common vision through dialogues and creative expression: the case of the Hazelaar	M.W.C. Snoeren	Fontys University of Applied Sciences	Netherlands		
	Client participation in an evaluation of integrated care for frail older persons	J. Bindels	Maastricht University	Netherlands		
	Inspiring and empowering health care assistants to become ethical leaders	T.J.H. Niessen	Fontys University of Applied Sciences	Netherlands		
	Photographs to give voice to people with dementia	G.G. Zadelhoff	Maastricht University	Netherlands		
TOPIC: Promotion of health and well-being in older persons						
S21	New perspectives and opportunities to promoting positive ageing in older people				Symposium	Mees Zaal
	Improving older people's involvement in health and in care decision-making	M. Attree	University of Manchester	United Kingdom		
	Healthy ageing: Preventing falls and promoting active living in older people across Europe	M. Horne	University of Manchester	United Kingdom		
	Healthy ageing: Positive health among older people with focus on sleep habits and falls	C. Fagerström	Blekinge Institute of Technology	Sweden		
	European perspectives on developing collaborative working to promote positive ageing in older people	I. Rahm Hallberg	Lund University	Sweden		
TOPIC: New developments in dementia care						
S26	Small-scale, Homelike Living Arrangements - The future of Dementia Care?				Symposium	Van der Vorm Zaal
	Small-scale living: characteristics and implications for residents, family and nursing staff	H. Verbeek	Maastricht University	Netherlands		
	Shared housing arrangements for persons suffering from dementia—the Berlin Longitudinal Study DeWeGE	K. Wolf-Ostermann	Alice Salomon Hochschule Berlin	Germany		
	Living arrangements for people with dementia study: Nursing staff well-being and quality of care	D. Smit	Trimbos Instituut	Netherlands		

TUESDAY 5 OCTOBER 2010**SESSION B: 10:15 - 11:45****POSTER PRESENTATIONS****ROOM: Fortis Bank Zaal**

NR	TITLE ABSTRACT	AUTHOR	INSTITUTE	COUNTRY
TOPIC: Care for older persons in Europe in 2025				
419	Integrating home care services in Europe	S. Chlabicz	Medical University of Bialystok	Netherlands
TOPIC: Challenges and innovations in long-term care for older persons				
70	Coordinating the Roles of Nursing Home Staff and Families of Elderly Nursing Home Residents	M. Ehrenfeld	Pat Mattews academic school of nursing	Israel
72	Nurses' perceptions of individualised care in long-term care institutions	R.A. Suhonen	University of Turku	Finland
97	Protocol for innovative projects of care and support targeting community dwelling frail elderly	T.P.M. van Durme	Universite Catholique de Louvain	Belgium
120	A pilot experience of client centred care in Brussels city	C. Jeanmart	Institute For Health and Society UCLouvain	Belgium
151	Nijmegen University Network of Nursing Homes: collaboration in care and research	E.W.C. Derksen	Radboud University Nijmegen Medical Centre	Netherlands
191	Towards a framework for operational access to care for the elderly	E.C.C. Schipper	Tranzo/UvT	Netherlands
205	Examining the Health Care Policy for Elderly People from an International Perspective	H.G. Golander	Tel Aviv University	Israel
227	The continuous nursing care - Conceptual basis	J.P.A.T. Tavares		Portugal
229	Barriers and Solutions in the Continuous Nursing Care for the Elderly	J.P.A.T. Tavares		Portugal
254	Nurse case management in England: A study of different models for community dwelling older people	M. Drennan	Kingston University & St. George's University of London	United Kingdom
261	A Quality Framework for Responsible Care gives new opportunities for managers and professionals	R.H. van der Veen	Vilans	Netherlands
325	Literature review on advance care planning of nursing home residents	L. Séchaud	Haute Ecole de Santé	Switzerland
337	Best practice; the professional as a 'guiding actor'	J.S. Boonstra	Saxion	Netherlands
380	Structure of patients' health requirements in homecare in Poland and changes in the health care	G. Wojcik	Medical University of Warsaw	Poland
382	Obesity in care of nursing home residents - Pilot study on detection of efforts in nursing homes	G. Apelt	Charité-Universitätsmedizin Berlin	Germany
463	Collaborative Intensity - a description of the research process for the partnership model	L. Rekola	Helsinki Metropolia University of Applied Sciences	Finland
464	Collaborative Intensity - a description of the research process for the partnership model	L. Rekola	Helsinki Metropolia University of Applied Sciences	Finland
465	Partnership between higher education and working life in Geriatric Services	A. Haggman-Laitila	Helsinki Metropolia University of Applied Sciences	Finland
L1	Home dialysis for the frail elderly	A.T. Riemann	AMC/Dianet dialysecentra	Netherlands
TOPIC: Manpower issues and the labor market				
10	Moral Distress and Burn-Out in nurses on acute geriatric wards	M.D.W. Dewitte	Ghent University Hospital	Belgium
TOPIC: Patient safety and health outcomes e.g.				
98	Patient safety climate in Swiss nursing homes and its relationship to clinical outcomes	F.Z. Zuniga	University of Basel	Switzerland
123	The Australian Medical Sheepskin prevents pressure ulcers: a combined multilevel analysis of 3 RCTs	P. Mistiaen	NIVEL, Netherlands institute for health services research	Netherlands
149	Assessment of postoperative pain in older patients	F.M. van Dijk	University Medical Center	Netherlands
198	Belgian Screening Tools (BeST) database	L.B. Bulteel	Ghent University	Belgium
217	Adherence and medication management by the elderly	A.H. Henriques	Escola Superior de Enfermagem de Lisboa	Portugal
240	Barriers that influence nurses' information exchange during care transfer of older persons	R.M.O. Olsen	Nord-Trøndelag University College	Norway
268	Comparing acute and long-term elderly care by the use of an Italian theoretical model and the ICNP®	D. Ausili	Insubria University Varese	Italy
344	Pain and interventions in German nursing homes	K. Kopke	Charité - Universitätsmedizin Berlin	Germany
364	Experiences of nurse specialists in projects aiming to reduce the use of physical restraints	H.M.J.H. Smeets	MeanderGroep ZL	Netherlands
371	Making an inventory of best practices recommendations and putting them at nurses' disposal	N.A.O. Gobert	Université Catholique de Louvain	Belgium
374	Falls in the hospital: a study of data collection processes and inter-rater reliability in the US	M. Simon	University of Kansas Medical Center. School of Nursing	United States of America
386	Psychosocial interventions to reduce antipsychotic drugs in care home residents: systematic review	S. Köpke	University of Hamburg	Germany
420	Fall prevention in the elderly: current evidence and challenges for further research	K. Balzer	Universität zu Lübeck	Germany
451	Screening for falls in an acute geriatric ward: are instruments performing better than nurses?	K.J.J. Versluys	UZ Gent	Belgium
467	Towards an optimal skill mix for older residents in nursing homes	A. Tuinman	Hanzehogeschool Groningen	Netherlands
469	Falls in older hospital inpatients and effect of cognitive impairment	J. Härlein	General Hospital Fürth	Germany
L11	Issue and implementation of an practice guideline for skin care with incontinence for acute hospitals and nursing homes	E. Haslinger-Baumann	Forschungsinstitut des Roten Kreuzes	Austria

TUESDAY 5 OCTOBER 2010**SESSION B: 10:15 - 11:45****POSTER PRESENTATIONS****ROOM: Fortis Bank Zaal**

NR	TITLE ABSTRACT	AUTHOR	INSTITUTE	COUNTRY
TOPIC: Promotion of health and well-being in older persons				
2	Caring for older people with multiple chronic conditions in their own homes	M.T.L. Lupari	NHSCT	United Kingdom
8	Cultural Diversity, Locus of Control, Spirituality and Quality of Life in Elderly Patients	B. Shnaidman	Shoenbrun Academic School of Nursing	Israel
13	Natural Environment and Health: Promoting Health in Older Persons	I.P. Prasini	Hygeia Hospital	Greece
15	Osteoporosis Knowledge, Health Beliefs and Preventive Behavior in Older Women Living in a Rural Area	S.A. Aree-Ue	Ramathibodi Hospital	Thailand
18	Fall Risk Assessment in the Outpatient Setting	J. Meador	Jack C. Montgomery VA Medical Center	United States of America
23	The nursing staff's experiences and reactions when older people with dementia fall in nursing homes	S.St. Struksnes		Norway
26	Effects of Quadriceps Exercise on Pain and Strength Conditioning in Women with Knee Osteoarthritis	N.P. Piyakhachornrot	Ramathibodi Hospital	Thailand
54	Healthy and Active Ageing, a preventive program for independent living well elderly	M.B.M. Bussmann	Hogeschool Rotterdam	Netherlands
60	Older peoples' perceptions of pain, health and psychosocial life	A. Willman	University of Karlstad	Sweden
75	Visiting nurses' foot health evaluation skills - a pilot study	M. Stolt	University of Turku	Finland
89	Evaluation of the effects of screening elderly people in order to detect frailty at an early stage	I.G.P. Duimel-Peeters	Maastricht University	Netherlands
124	The 75-year-olds' perceived health. The district nurse's starting point for health dialogues	H.S. Sherman	Centre for Family Medicine	Sweden
139	A qualitative analysis of experiences of smoking cessation among older males in Taiwan	C.L. Huang	Chang Jung Christian University	Taiwan
146	Action research as a method to improve quality of care for older persons	M.W.C. Snoeren	Fontys University of Applied Sciences	Netherlands
157	Planned interviews about sexuality as part of routine care to men with genitourinary cancer	S.M. Maassen	Erasmus MC	Netherlands
177	Care models that integrate advanced nursing services to elderly with depression: a literature review	J.D. Dreizler	Zurich University of Applied Sciences	Switzerland
235	Well-being and quality of life of people over 75 years: influence of social support	M.L.A. Almeida	Nursing School of Coimbra	Portugal
250	Identifying patients with low health literacy	S. Hahn	University of Applied Sciences	Switzerland
259	Diabetes: psychometric evaluation of an instrument to evaluate the effectiveness of education	V.D. Duprez	University College Arteveldehogeschool	Belgium
269	Feelings of insecurity and vulnerability: Is the association different between older age groups?	N. de Witte	Vrije Universiteit Brussels	Belgium
274	Prevalence studies on elder abuse in Europe: state of the art and guidelines for future research	N. de Witte	Vrije Universiteit Brussels	Belgium
286	Accidental falls prevention in the elderly: a post intervention survey in Italian Hospitals	C. Sironi	University of Modena and Reggio Emilia	Italy
295	Frailty: beyond the figures	K.G. Luijckx	Tilburg University	Netherlands
321	Effects of group and personal interventions on perceived togetherness in older people	P.T. Tiikkainen	JAMK University of Applied Sciences	Finland
329	Quality of life model: predictors of quality of life among sick older adults	L.H. Halvorsrud	Diakonova University College	Norway
340	Assistance for the chronically ill older persons living at home	A.M. Moe	Høgskolen i Nord-Trøndelag	Norway
352	Feasibility of a new intervention programme for vulnerable older people in primary care	N. Bleijenberg	UMC Utrecht	Netherlands
370	Determining care abilities of older people regarding with their realization of daily life activities	Z. Koc	Ondokuz Mayıs University	Turkey
373	Quality of life of the elderly people in long-term care in the South-East Poland	G. Wojcik	Medical university of Warsaw	Poland
384	Resources for improving everyday movements and promoting autonomy of nursing home residents	S. Kalinowski		Germany
385	A chronic grief intervention for Alzheimer's family caregivers	O. Paun	Rush University	United States of America
405	Older persons in the world of HIV/Aids: health promotion through community-based collaboration	M.J. Watson	North-West University	South Africa
428	What is 'healthy physical activity'?	H. Anderiesen	TU Delft	Netherlands
455	Elderly health needs in primary care unit and nurse's professional practice	F. Romijn Tocantins	Universidade Federal do Estado do Rio de Janeiro	Brazil
462	Wellbeing of elderly people within Russian minority in Finland and Estonia	A. Ehasalu	Tallinn Health College	Estonia
L23	Home Care and Support of the Elderly in Switzerland	T. Schwarze	Bern University of Applied Science	Switzerland

TUESDAY 5 OCTOBER 2010**SESSION C: 10:15 - 11:45**

NR	TITLE ABSTRACT	AUTHOR	INSTITUTE	COUNTRY	TYPE	ROOM
TOPIC: New approaches to acute care for older persons						
S7	DEFEND your older hospital patient!				Symposium	Arcadis Zaal
	Comprehensive Geriatric Assessment in older hospitalised patients at risk for functional decline	B.M. Buurman	Academic Medical Center	Netherlands		
	Multimorbidity in acutely hospitalized older patients: prevalence and outcome	B.M. Buurman	Academic Medical Center	Netherlands		
	Measuring functional decline in hospitalized older medical patients: a systematic review	B.M. Buurman	Academic Medical Center	Netherlands		
	ISAR-HP an instrument predicting functional decline in older hospitalized patients	J.G. Hoogerduijn	Hogeschool Utrecht	Netherlands		
TOPIC: Promotion of health and well-being in older persons & Patient safety and health outcomes e.g.						
S8	Determinants of fear of falling from different perspectives				Symposium	Willem Burger Zaal
	Safety for older persons; effectiveness of a mobile safety alarm	A.Ch.L. Scheffer	Academic Medical Centre	Netherlands		
	Fall prevention on wheels: fear of falling in older persons visiting a mobile fall prevention unit	A.Ch.L. Scheffer	Academic Medical Centre	Netherlands		
	Fear of Falling: Perspective of a patient with a hip fracture	H.M. Visschedijk	VUmc	Netherlands		
TOPIC: Care for older persons in Europe in 2025						
439	International networking, a prerequisite for excellent research?.. WENR, an example of good experience	M.L.A. Crijns	Netherlands Centre for Excellence in Nursing	Netherlands	Workshop	Van Capellen Zaal
TOPIC: Family and informal care givers						
92	Family caregivers of elder people in Spain	A.Z. Zabalegui	Hospital Clínico de Barcelona	Spain	Oral Communication	Zeelenberg Zaal
169	The experience of being next of kin to an older person in the last phase of life	M.A. Andersson	Lund University	Sweden	Oral Communication	Zeelenberg Zaal
458	(In)formal care and care shortages - Findings from the Belgian Ageing Studies BAS	N. de Witte	University College Ghent	Belgium	Oral Communication	Zeelenberg Zaal
TOPIC: Patient safety and health outcomes e.g.						
196	The effectiveness of a multistage low pressure air mattress in pressure ulcer prevention: an RCT	L. Demarré	Ghent University	Belgium	Oral Communication	Mees Zaal
252	Pressure ulcers: Knowledge and attitudes of nurses in Belgium	D.B. Beeckman	Ghent University	Belgium	Oral Communication	Mees Zaal
262	Assessing the adequacy of pressure ulcer prevention in Belgian geriatric hospital wards	D.B. Beeckman	Ghent University	Belgium	Oral Communication	Mees Zaal
300	Pressure ulcers: knowledge and attitudes of nurses in Belgian nursing homes	L. Demarré	Ghent University	Belgium	Oral Communication	Mees Zaal
TOPIC: Promotion of health and well-being in older persons (1)						
134	'Lively Legs': Increased physical activity and fewer wound days in venous leg ulcer patients.	M.M. Heinen	Radboud University Medical Center Nijmegen	Netherlands	Oral Communication	Van der Vorm Zaal
147	Low risk for undernutrition is a predictor for perceived good health in older patients	U.S. Söderhamn	University of Agder	Norway	Oral Communication	Van der Vorm Zaal
237	Elderly male cancer patients: traumatic stress and need for support in prostate cancer patients	A.Ph. Visser	Rotterdam University	Netherlands	Oral Communication	Van der Vorm Zaal
324	Alcohol use among older adults and an early intervention model for home care	S. I. Immonen	City of Espoo	Finland	Oral Communication	Van der Vorm Zaal
TOPIC: Promotion of health and well-being in older persons (2)						
91	Construct validity and homogeneity of the German version of the QUALIDEM by people with dementia	M. Dichter	University of Witten/Herdecke	Germany	Oral Communication	Plate Zaal
244	Managing dementia in residential aged care using Snoezelen and other multi-sensory therapies	M.B. Bauer	La Trobe University	Australia	Oral Communication	Plate Zaal
256	Quality of life in shared housing arrangements - a comparison of various dementia-specific scales	J.G. Gräske	Charité Universitätsmedizin Berlin	Germany	Oral Communication	Plate Zaal
TOPIC: Promotion of health and well-being in older persons (3)						
49	Standardization of a Research-Based Advanced Nursing Practice Home Intervention for Elderly	R.N. Naef	Zurich University of Applied Sciences	Switzerland	Oral Communication	Van Rijckevorsel Zaal
67	Filling up the hours	H.C.M. Huijben-Schoenmakers	ROC West- Brabant; Avans Hogeschool	Netherlands	Oral Communication	Van Rijckevorsel Zaal
390	The impact of hospitalization on physical decline of elderly people living at home	M.J.G. van Vliet	VUmc	Netherlands	Oral Communication	Van Rijckevorsel Zaal
TOPIC: Manpower issues and the labor market						
19	The DIRECT-project: interventions to improve job-related outcomes in nursing homes.	E.M.B. Spoor	Eindhoven University of Technology	Netherlands	Oral Communication	Ruys Zaal

TUESDAY 5 OCTOBER 2010**SESSION D: 12:45 - 14:15**

NR	TITLE ABSTRACT	AUTHOR	INSTITUTE	COUNTRY	TYPE	ROOM
TOPIC: Patient safety and health outcomes e.g.						
S3	Care problems in nursing homes from an European point of view				Symposium	Willem Burger Zaal
	Pressure ulcer guideline development and dissemination in Europe	E. Meesterberends	Maastricht University	Netherlands		
	Measuring care problems in nursing home residents in the Netherlands, Germany and Austria	N.C. van Nie	Maastricht University	Netherlands		
	Fall prevention in cognitively impaired older people: state of the art in German nursing homes	J.H. Härlein	General Hospital Fürth	Germany		
	Improving quality of care in care homes by performing a yearly national audit of care problems	J.M.G.A.Schols	Maastricht University	Netherlands		
TOPIC: Care for older persons in Europe in 2025						
S13	Home care for the elderly in Europe: the EURHOMAP-project results				Symposium	Arcadis Zaal
	Governance on home care in Europe	W.G.W. Boerma	NIVEL	Netherlands		
	Financing home care in Europe	K. Ersek	Corvinus University of Budapest	Hungary		
	Human resources in home care in Europe	V.G. Homolova	Alice Salomon University of Applied Sciences	Germany		
	Recipients of home care and the role of informal care in Europe	M. Naiditch	Institut de Recherche et Documentation en Economie de la Sante (IRDES)	France		
	Current trends and challenges and how they are dealt with	A. Hutchinson	Sheffield University	United Kingdom		
TOPIC: Challenges and innovations in long-term care for older persons						
S31	National Programme Elderly Care	M. van Dalen	ZonMw	Netherlands	Symposium	Jurriaanse Zaal
	The Dutch National Care for the Elderly Programme					
	Towards an integrated chain of care model for the frail elderly					
	The ISCOPE-study					
	Feasibility of a new intervention programme for vulnerable older people in primary care					
TOPIC:						
L24	Primary Care and Care for Older Persons	P. Boeckxstaens/P. de Graaf	Ghent University/European Forum for Primary Care	Belgium/ Netherlands	Workshop	Van Capellen Zaal
TOPIC: Management and leadership in care for older persons						
138	The art of working in the care for the elderly - Work is in the eye of the beholder	C.G. Nijhuis	Humanitas	Netherlands	Workshop	Van Rijckevorsel Zaal
TOPIC: New developments in dementia care						
46	Impact of individualized case conferences on residents' behaviour and quality of life	D. Hardenacke	Deutsches Zentrum für Neurodegenerative Erkrankungen	Germany	Oral Communication	Mees Zaal
242	Pleasantly living together: Anton de Kom, for Surinamers with dementia	A.H.M. Verhoeven	Cordaan	Netherlands	Oral Communication	Mees Zaal
39	Effects of introducing a nursing guideline on depression in psychogeriatric nursing home residents	R. Verkaik	NIVEL	Netherlands	Oral Communication	Mees Zaal
73	How to tell patients and caregivers about dementia	R.L.J.M. Pol	Alysis Zorggroep Rijnstate Hospital	Netherlands	Oral Communication	Mees Zaal
TOPIC: Use of technology in care for older persons in the future						
220	Videomonitoring as part of care delivery to independently living seniors	M.D. Spreeuwenberg	Hogeschool Zuyd	Netherlands	Oral Communication	Zeelenberg Zaal
292	Healthy older persons perceptions about care and the use of Assistive Technology Services (ATS)	C. Harrefors	Luleå University of Technology	Sweden	Oral Communication	Zeelenberg Zaal
303	E-Health in care of older persons in the future	K.A. Axelsson	Luleå University of Technology	Sweden	Oral Communication	Zeelenberg Zaal
345	Robotics for elderly care; A roadmap study for the European commission	G. Cremers	Zuyd University	Netherlands	Oral Communication	Zeelenberg Zaal
TOPIC: Promotion of health and well-being in older persons						
225	Life orientation among older people in Finland and Sweden	L.F. Fagerström	Buskerud University College/ University of Skövde	Norway	Oral Communication	Van der Vorm Zaal
426	Healthy ageing in all policies	P. Vuolteenainen	Ministry of Social Affairs and Health	Finland	Oral Communication	Van der Vorm Zaal
436	Safety visits to senior citizens in Kópavogur 2007	D.H. Kristinsdóttir	Slysavarnafélagið Landsbjörg	Iceland	Oral Communication	Van der Vorm Zaal
TOPIC: New approaches to acute care for older persons						
36	The implementation of evidence-based nutrition guidelines in an acute geriatric setting	M.L.R.M. Daem	Universiteit Gent	Belgium	Oral Communication	Plate Zaal
347	Empowerment by the written patient instructions at the emergency policlinic	M.H. Salminen-Tuomaala	Seinäjäki University of Applied Sciences	Finland	Oral Communication	Plate Zaal
378	Pain, anxiety, and agitation in critically ill older patients on the intensive care unit	M.M. Jeitziner	Bern University Hospital/ Maastricht University	Switzerland	Oral Communication	Plate Zaal
TOPIC: Family and informal care givers						
214	Socio-demographic factors related Care Dependency among older Egyptians	T.B. Boggatz		Germany	Oral Communication	Ruys Zaal
276	Spouse caregivers face complex position of health deficits at the early stage of caregiving	T. Välimäki	University of Eastern Finland	Finland	Oral Communication	Ruys Zaal

TUESDAY 5 OCTOBER 2010**SESSION E: 14:45 - 16:15**

NR	TITLE ABSTRACT	AUTHOR	INSTITUTE	COUNTRY	TYPE	ROOM
TOPIC: Patient safety and health outcomes e.g.						
S15	International approaches to reduce the usage of physical restraints in nursing homes	M. Bleijlevens/J. Hamers			Symposium	Willem Burger Zaal
	Reducing the use of physical restraints in Dutch nursing homes: a pilot study	M.J.M. Gulpers	Maastricht University	Netherlands		
	Evaluation of a guidance on the reduction of physical restraints in nursing homes: a cluster-RCT	G. Meyer	University Witten/Herdecke	Germany		
	Safety problems associated with the use of physical restraints on the elderly	E. Fariña-López	Univ. of Las Palmas de Gran Canaria	Spain		
	Contextual interventions to reduce variation in physical restraint use	E. Capezuti	New York Univ. College of Nursing	USA		
TOPIC: Patient safety and health outcomes e.g.						
S25	Preservation of functioning in older people				Symposium	Jurriaanse Zaal
	Prevention decline in older cardiac surgical patients (PREDOS study)	G.A. Ettema	University of Applied Science Utrecht	Netherlands		
	Prescription change Intensity and hospitalization	C.G.M. Sino	University of Applied Science Utrecht	Netherlands		
	The best care for your older patients, how to make your hospital senior friendly?	J.G. Hoogerduijn	University of Applied Science Utrecht	Netherlands		
	Preservation of living independently in older people	E.M.A. Arts	University of Applied Science Utrecht	Netherlands		
TOPIC: Promotion of health and well-being in older persons & Patient safety and health outcomes e.g.						
S11	Erasmus MC (University Hospital Rotterdam): Care for older persons in a hospital				Symposium	Arcadis Zaal
	GENERO, geriatric network Rotterdam and surroundings/ Co-operation in care and welfare	D. Smilde/M. Zeegers	Erasmus MC	Netherlands		
	The prevention and reactivation care programme: the prevention of functional decline after hospital stay	P.L. de Vreede/T.J.E.M. Bakker	Erasmus MC	Netherlands		
	The multiple effects of vitamin D in old age	C. Oudshoorn/ T.J.M. van der Cammen	Erasmus MC	Netherlands		
	Hospital Admissions related to medication	P.M.L.A. van den Bemt	Erasmus MC	Netherlands		
	Nursing care in the last days of life as reported by hospital nurses	E. Witkamp	Erasmus MC	Netherlands		
TOPIC: Manpower issues and the labor market						
L25	Retaining older nurses in the workforce: A Wise Decision	A. ter Maten/L. Maas	Rho Chi Chapter	Netherlands	Workshop	Ruys Zaal
TOPIC: Family and informal care givers						
452	'Failed expectations': understanding sudden informal caregivers' transition experiences	H. Pereira	University of the Azores	Portugal	Oral Communication	Mees Zaal
339	Quality time: professional care for informal carers of community-living older persons with dementia	M.A. van 't Leven	Rotterdam University	Netherlands	Oral Communication	Mees Zaal
446	Caregiving together: synergy on the journey to a good death	S. Golembeski	Baptist Health South Florida	USA	Oral Communication	Mees Zaal
407	Discursive constructions of elder abuse: Irish community nurses' accounts	A. Phelan	University College Dublin	Ireland	Oral Communication	Mees Zaal
TOPIC: Palliative care						
90	Views of Turkish and Moroccan immigrants on 'good care' in the palliative phase of cancer	F.M. de Graaf	MUTANT and University of Amsterdam	Netherlands	Oral Communication	Zeelenberg Zaal
312	Nurses' experience of palliative care in nursing homes	I.B. Beck	Lund University	Sweden	Oral Communication	Zeelenberg Zaal
331	Professional homecare communication and assessment of problems in patients at the end-of-life	M.C. de Korte-Verhoef		Netherlands	Oral Communication	Zeelenberg Zaal
367	Pain control at end of life - a comparative study of cancer patients and chronically ill in hospital	S.A. Steindal	Diakonhjemmet Hogskole	Norway	Oral Communication	Zeelenberg Zaal
TOPIC: Patient safety and health outcomes e.g. (1)						
249	Pressure ulcers: development and psychometric validation of a knowledge assessment instrument	D.B. Beeckman	Ghent University	Belgium	Oral Communication	Van der Vorm Zaal
260	Pressure ulcer prevention: development of an attitude assessment instrument	D.B. Beeckman	Ghent University	Belgium	Oral Communication	Van der Vorm Zaal
310	Development of an international pressure ulcer prevention guideline	L. Demarré	Ghent University	Belgium	Oral Communication	Van der Vorm Zaal
319	Malnutrition and nutritional care practices in hospital wards for older people	M. Daem	Ghent University	Belgium	Oral Communication	Van der Vorm Zaal
TOPIC: Patient safety and health outcomes e.g. (2)						
201	Less adverse events with a patient safety programme in hospitals and nursing homes	B.G.I. van Gaal	Radboud University Nijmegen MC	Netherlands	Oral Communication	Plate Zaal
221	Clinical relevance of pressure ulcer risk assessment scales. The perspective of nurses in practice	B.R. Reuschenbach	University of Applied Sciences	Germany	Oral Communication	Plate Zaal
326	Malnutrition and associated factors in elderly hospital patients	I. Bocquaert	Ghent University	Belgium	Oral Communication	Plate Zaal
TOPIC: Promotion of health and well-being in older persons						
265	Adherence with leg ulcer lifestyle: a promising nursing intervention for community care settings	A. van Hecke	Ghent University	Belgium	Oral Communication	Van Rijckevorsel Zaal
266	Adherence to leg ulcer treatment: development of a theoretical framework	A. van Hecke	Ghent University	Belgium	Oral Communication	Van Rijckevorsel Zaal

WEDNESDAY 6 OCTOBER 2010**SESSION F: 10:15 - 11:45****POSTER PRESENTATIONS****ROOM: Fortis Bank Zaal**

NR	TITLE ABSTRACT	AUTHOR	INSTITUTE	COUNTRY
TOPIC: Care for older persons in Europe in 2025				
45	Enhancing Dignity for older People in Health and Social Care Setting	J. Succaram	Thames Valley University	United Kingdom
51	Health related quality of life in critically ill octogenarians	J.G.M. Hofhuis	Gelre Hospital	Netherlands
58	Patient-centeredness in the long-term care of older people - patients' perspective	J. Shteinmiller	University of Tartu/East Tallinn Central Hospital	Estonia
68	Patient-centeredness from a nurses' and nursing assistants' perspective in the long-term care	J. Shteinmiller	University of Tartu/East Tallinn Central Hospital	Estonia
79	Patient-centeredness in the long-term care of older people - patients' perspective	J. Shteinmiller	University of Tartu/East Tallinn Central Hospital	Estonia
152	Who are the institutionalized older elderly of the future?	H. Anderiesen	TU Delft	Netherlands
427	COPD patients' perceptions of patient and health education (PHE) implementation in specialized care	L.E. Patala-Pudas	University of Oulu	Finland
L22	Aging with HIV in the Netherlands – can the health care system cope?	C. Smit	VSOP	Netherlands
TOPIC: Education and training of students in care for older persons				
29	Hearing impairment in old age - a (no-) go in basic and further nursing education	M.D.M. Decker-Maruska	Krankenhaus St. Barbara Attendorf GmbH	Germany
37	Developing interprofessional competencies for home team in elderly care	F.G.J.M. Kaaijk-Jacobs	Hanzehogeschool Groningen	Netherlands
71	The changing side of the nursing care: home health care/guideline	D.T. Talaz	Celal Bayar University	Turkey
102	The Case Study Method to Create Reflective Geriatric Nurse Practitioner	A.J. ter Maten	Rotterdam University of Applied Science	Netherlands
117	HBO V leerteam in de ouderenzorg/ learning community	J.H. van Opzeeland	De Friese Wouden	Netherlands
150	How to motivate registered nurses for working in nursing homes	L.F.J. Martijn	University of Rotterdam	Netherlands
166	Applied Gerontology – a new bachelor programme in The Netherlands	J.S. Jukema	Windesheim University of Applied Sciences	Netherlands
168	Changing role of nurse teachers; transition provides better supervision for nursing students	S.S.N. Nordhagen		Norway
246	Learning by doing - the work practice experiences of undergraduate health care students	M.Ä. Äijö	Savonia University of Applied Sciences	Finland
281	Geriatric Education in Baccalaureate Nursing Course in Italy	M.M. Matarese	Campus BioMedico University	Italy
