

## Visit sponsors and supporters of the 4th European Nursing Congress!

**Tuesday October 5th, morning**

Visit our Rotterdam partner Laurens, a major Rotterdam organisation with over 30 nursing homes, housing welfare services and care. Learn how Laurens offers elderly persons the care and support they need, and enables them to lead a healthier, more active life, with more fun. [www.laurens.nl](http://www.laurens.nl)

**Tuesday October 5th, afternoon**

Experience 150 years of Dutch nursing in the interactive museum of our supporter The Florence Nightingale Institute. Your visit will focus on the question: what connects nurses worldwide? We will bring your and our stories together in an interactive workshop. Do not forget to pack your favorite picture in uniform and your own pin! [www.fni.nl](http://www.fni.nl)

**Wednesday October 6th, morning**

**Humanitas Foundation**

Visit our Rotterdam partner Humanitas Foundation, who offer nursing homes and care facilities for the elderly. Humanitas has as their core values: being in control, active participation, a yes culture, and the extended family approach. The visit takes you to the Humanitas 'memory museum', among other things. or

**The University of Applied Sciences Utrecht** 

Visit our partner The University of Applied Sciences Utrecht School of Nursing. Our congress coincides with the School's International Days, so you're bound to meet teachers and lecturers from all over the world who want to learn more about the Schools programmes. **Wednesday October 6th, afternoon**

**Erasmus MC**

Visit our Rotterdam partner Erasmus MC, a major university hospital with a sound (international) reputation. Outstanding and dedicated patient care, pioneering and ground-breaking medical scientific research and excellent and highly valued medical training: those are the goals with which the Erasmus MC wants to further expand its international reputation. [www.erasmusmc.nl](http://www.erasmusmc.nl)

or

**Vilans**

Visit a Rotterdam project of our supporter Vilans. Vilans' integrated vision of care, living and well-being brings together everyone involved. This results in a better quality of life for the elderly and for people with an impairment or chronic illness, and enables them to participate in the community to their full potential.
